WOLVERINE PRO

NIGHT VISION WEAPON SIGHT

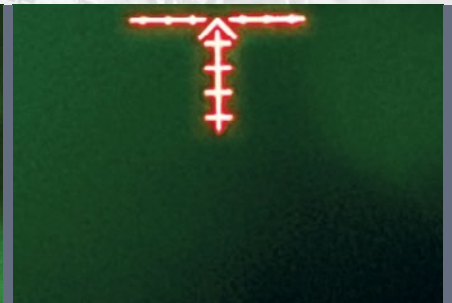

The Wolverine Pro represents our newest series of military grade level Night Vision rifle scopes. The Wolverine Pro utilizes a high strength aluminum design to service the rugged day-to-day requirements and ever-changing environments. Except for the optical elements, all external surfaces utilize a non-reflective matte black finish. The external objective lens and eyepiece lens elements are protected with an ultra-durable (scratch-resistant) coating. Controls and adjustments are easy to operate and include reticle brightness, eyepiece focus, range (distance) focus, plus windage and elevation adjustments.

- 4x or 6x magnification
- Easy to operate
- Adjustable projected reticle
- Powered by 2 AA batteries
- Waterproof
- 40 hour continuous operation
- Limited 3-year warranty
